

It's all change for a number of Plus Fitness Franchisees!

It has been all change for a number of Plus Fitness Franchisees over the past two weeks with three Franchises changing hands, two within the network, two franchisees heading off on a sea change and the welcoming of a new Franchisee to the network!

The first of these changes saw Plus Fitness franchisees Graham and Suchada of both Brookvale and Manly on Sydney's Northern Beaches purchase Plus Fitness Mona Vale off Franchisees Steve and Tanya. This takes Graham and Suchada to 3 clubs as they continue to dominate their area of the Northern Beaches of Sydney.

This has allowed Steve and Tanya to follow their dreams as they head to Ballina, located in the beautiful Northern Rivers region of New South Wales where they have already secured a property for the establishment of their next Plus Fitness Franchise adventure!
